Service's Website <https://mps.gov.bb>

Target Group

Officers within the S9 – S3 salary scales or equivalent P6 – P2 scales involved in the preparation of annual estimates and the programme budget documents for their respective ministries or departments, and who have not had training or certification in Accounts.

Aim of Workshop

To familiarise senior management officers with the use of Cloud Suite Financials for the tracking and monitoring of the funds allocated to their respective ministry or department for more efficient management of and reporting on these funds.
